

Hosted by  
The Crescent Community  
Enrichment Foundation.

Sponsorship Prospectus

# About us

As many of you are aware, we have assumed responsibility for the Christmas in Crescent event from The Crescent Chamber of Commerce. We are currently securing funding and independently promoting this event. Your sponsorships are greatly valued and play a vital role in making this event possible for the community.

Our mission is to improve the city and organize events to foster community growth and unity. Our goal is to bring life into our town through events, volunteer work, and donations.

Your sponsorships will help bring these events, improvements and programs to the community throughout the 2024 year, such as: summer children's programs, summer movies in the park, Christmas in Crescent, and more, as well as volunteer efforts and community improvements.
